To All Funeral Homes

We have now completed the first phase of placing the columbariums in South Mound Cemetery, which is located just off the Bundy Avenue gate. There will be a total of 192 niche spaces for cremains, after the other two columbariums are put in. That gives the cemetery 96 niche spaces now and another 96 niche spaces at a later date. These spaces are now available to sell for a price of \$1,400.00. This price will include the engraving of the name, date of birth and date of death only, as well as the opening/closing to place the cremains. I have attached a new price list that includes the cost of the columbarium.

Please call if you have any questions.
