The allowance can be used for any law enforcement related clothing, equipment, or specialty gear. This clothing and equipment allowance are not subject to pro-ration. In addition to this allowance, the city agrees to pay half the cost of any gear damaged or lost in the line of duty. The above would not include protective body armor covered under Article 27 of this agreement. Any officer assigned to the K-9 Division or S.W.A.T. Team will receive an extra \$100 added to their annual allowance. Each officer will have three options for receiving the payment of the clothing and equipment allowance. Each officer is to notify the Chief of Police, or designee, on or before January 15, or the following normal business day, of their choice for payment. Any officer that fails to notify the city by this date or purchases an item on a city account will automatically be deemed to have chosen Option#3.

Option #1 – The clothing and equipment allowance will be paid to the officer in full by no later than the next pay cycle following February 1. Applicable taxes will be deducted from the total amount paid in accordance with the officer's normal tax deductions. Officers that choose this option will not be permitted to make any purchases on city accounts with any city vendors.

Option #2 – The clothing and equipment allowance will be divided in half. Half of the total allowance will be paid directly to the officer by no later than the next pay cycle following February 1. Applicable taxes will be deducted from this half of the allowance in accordance with each officer's normal tax deductions. The remaining half of the allowance will be paid to the officer by allowing the officer to purchase items on a tax-free account from approved vendors that have an account with the city Police Department. All stipulations governing the use of account purchases set forth below under Option #3 must be followed for the use of the second half of the allowance.

Option #3 – The clothing and equipment allowance will be paid to the officer by allowing the officer to purchase on a tax-free account any item from approved vendors that have an account with the city Police Department. The officer will need to have made all purchases on or before December 1, or the following normal business day. Officers are responsible for any charges to an account that exceed their designated clothing allowance amount. There will be no reimbursements made for items purchased off of an account, except for on-duty work clothing and attire only. The officer must submit a sales receipt to be reimbursed, but sales tax will not be reimbursed. Only a maximum amount of \$500.00 may be used from an officer's clothing allowance for any one single item purchased. Any firearm purchased through a vendor account must meet the requirements for firearms set forth in the New Castle Police S.O.P. Manual. It is the city's responsibility to maintain no fewer than four (4) accounts with local vendors that supply police duty clothing and equipment. At least one (1) of the four vendors must be a vendor that accepts internet orders. A list of the approved vendors will be posted at all times and immediately updated if a vendor changes. The city will also permit the

purchase on account of cellular phones and service charges through the Henry County cellular service contract.
