

New 9 Hole Disc Golf Course at Baker Park

The Pebble at Baker Park aims to provide a fun, accessible, and engaging disc golf experience for players of all skill levels, with a special focus on youth, beginners, ace chasers, and those seeking a quick yet rewarding round of play. Designed as a par-two course, The Pebble will complement the existing disc golf course, **The Rock**, by offering a shorter, precision-based challenge that serves as an entry point to the sport while also providing a unique experience for seasoned players. Additionally, The Pebble will be an ideal setting for high school PE classes and elementary school students, introducing them to the fundamentals of disc golf in a fun and approachable way.

The New Castle Parks Department is working to establish **The Rock and The Pebble as part of a disc golf mecca**, making Baker Park a **destination point** for players of all skill levels—from beginners looking to learn the game to advanced players seeking a challenge.

Benefits of a Par-Two Disc Golf Course:

- **Part of a Disc Golf Mecca:** Helps establish Baker Park as a top-tier disc golf destination alongside The Rock.
