

The City of New Castle has many upcoming projects for 2014. Listed below are all projects with a brief description.

- **Jennings Building**

A historical building located Downtown New Castle that is currently in the process of being renovated. Estimated project completion is December 31, 2014. Once completed the location will feature restaurants, a coffee house, pub, and apartments. On Broad Street between 14th Street to 15th Street, The City has demolished many of the deteriorating buildings to create a parking lot for the upcoming Jennings Building renovation.

- **Savor Indiana**

The City has signed a television program license agreement to produce an episode in New Castle Henry County, Indiana consisting of seven segments. Please click on the Savor Indiana website link to learn more. www.savorindiana.com

- **Bike Pedestrian Plan**

- **Housing Assessment**

- **EDA Grant**

Participating Coalition Parties

East Central Indiana Regional Planning District, Inc. (ECIRPD)

City of Muncie, Indiana

City of Anderson, Indiana

City of New Castle, Indiana

New Castle Henry County Economic Development Corporation (NCHCEDC)

The above five coalition parties have jointly applied as co-applicants for a \$150,000 U.S. Economic Development Administration grant for developing an Economic Vision and Manufacturing Strategic Plan (aka "The Strategic Plan")
