Systems Operation Update:

City: Doug distributed 1st quarter reports.
County: No report.

Old Business:

With no one else present from the community Deborah & Doug used the time to refocus on ARRA Stimulus projects and set a new timeline for completion.

Other Business:

Deborah & Doug discussed the lack of attendance at the TAC meetings and will request the Mayor update the list of members to encourage attendance throughout 2012. When discussing the TAC with those who have waned in attendance, most feel the department runs an efficient service and doesn't feel their input is needed at the meetings. They all expressed that they would "be there" if there were projects and/or situations needing their assistance.

Meeting adjourned at 1:30. The next meeting will be held on Monday, May 20, 2012.
