**COMMITTEE REPORTS:**

**Councilman Guffey:** Noted;

- No Comments

**Vice-President Hancock:** Noted;

- Jeremy Fuel 3631 Sleepy Hollow is requesting to black top two lanes at the end of his property. It was agreed that the property belonged to Mr. Fuel and Council had no jurisdiction as to what he can and can't do there.
- Inquired about the pool with a Chlorine shortage will it be affected. Superintendent Bergum stated that with the new operations will be fine on Chlorine.

**Councilman Walden:** Noted;

- Inquired if there was there anything the City could do with the building at 23<sup>rd</sup> and Broad. The roof is caving in and it is becoming a public safety hazard. Health Department will be called.
- Inquired about a house at 18<sup>th</sup> and D Ave. Building Commissioner will check on it.

**Councilman Dicken:** Noted;

- Inquired if anyone had talked to Duke Energy about the lighting shield and the cost. Mayor York will be talking to them in the next couple of days.
- Did an update on the Tour Pour and Restore Event Downtown. It was very successful and Thanked Carrie Barrett of Main Street for putting it together.
- Advised the Council where the City was at with the Resiliency Greenhouse Gases.

**Councilman Koger:** Noted;

- No Comments

**Councilman Perdue:** Noted;

- Advised that Dr. Helen Steussy wants to plant ground cover at Fitzgerald Trail. Dr. Steussy has the knowledge about what ground cover needs to go there. And will help the environment and the wetlands in that area.

**President Peckinpaugh:** Noted;

- Inquired about the Community Crossing Grant. It was noted that we did receive the grant in the amount of 499,083.67 and that Director Barker would be getting them a list of roads approved by INDOT to be paved
- Inquired about the ADA assessments when paving. It was noted that the ADA assessments will be done at the time of paving.
- Asked about the 2hr parking on Broad Street. Traffic Committee will take it under advisement.

#### **ADMINISTRATIVE REPORTS:**

- Chief Schofield announced that the Police Department would be giving the Cemetery one of their decommissioned vehicles.
- Chief Schofield informed the Council that the license plate readers are working. We have been able to locate several different individuals because of these readers.
- Chief Schofield asked Council and everyone in attendance to meet out on Main Street after the meeting. The Bearcat will be out there for everyone to see.
- Street Superintendent Walker advised Council they are replacing all the toters on Webster and the P Avenue area.
- Mayor York informed Council that Ray Pavy Way would be closed for the funeral of Dr. Nelson on Saturday to line up for the procession.
- Mayor York said the City was going to have to fix the wall at 18<sup>th</sup> and Indiana. It has become a safety hazard and no one will take ownership. The City will fix and then after that anything that happens will be the homeowners responsibility. Attorney Harvey will be drawing up an agreement.

#### **CITIZENS APPEARING BEFORE THE COUNCIL:**

- Mike Broyles asked the Traffic Committee to take a look at 11<sup>th</sup> Street about the parking there also. Mr. Broyles also stated that low growing things needed to be planted at Fitzgerald Trail. Mr. Broyles asked that the City inform homeowners not to trust what is on Beacon regarding their property lines, if they want exact lines they need to have it surveyed.
- Val McNelis asked if 14<sup>th</sup> street would be closed for Farmers Market cause there was a food truck there and people were still driving through there. It was noted if we needed to close the road for safety issues the City would.

- Meeting Adjourned Councilman Walden
